Attorney Docket No. : 4778.001

**RESPONSE TO OFFICE ACTION DATED 4/14/06**

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Dear Sir:

Applicant herein responds to the Office Action dated April 14, 2006 to place it in condition for allowance, as follows:

**IN THE CLAIMS**

Please amend Claim 1 as follows:

1. (Twice Amended) An electronic target locating device that locates the coordinates of at least one target device and determines and determines directions for reaching the target device, said device comprising:

a global positioning system (GPS) transceiver coordinate device having means for communicating with a plurality of satellites, means for determining the location of at least one target device within a predetermined range and means for transmitting communications including information

Applicant: Sanchez, Eliezer  
Serial No.: 10/625,862  
September 14, 2006

on the location of at least one target device;

plurality of tracking devices for communicating with said GPS device, each of said tracking devices comprising means for communicating with said GPS device and at least one target[,] and means for determining and communicating directions of a route for reaching the determined location of the target; and

means for concealing said target.
